JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

[Inclosure.]

*Quarantine.*FREETOWN, SIERRA LEONE, *April 12, 1901.*

Whereas it appears to the governor-in-council that bubonic plague prevails at Cape Colony in South Africa :

It is hereby declared that Cape Colony aforesaid is an infected place within the meaning of Section VI of The Quarantine Ordinance, 1882.

And notice is hereby given that all vessels arriving at any port in this colony from the aforementioned place or any place in free communication therewith will be placed in quarantine.

By his excellency's command,

J. C. GORE,  
*Colonial Secretary.*

## BRITISH HONDURAS.

*Report from Belize—Fruit port.*

BELIZE, BRITISH HONDURAS, *May 26, 1901.*
